Package Contents

- 1 x Device
- 1 x User Manual
- 1 x Type-C Data Cable

Charging & Storage

Charging Requirements

1.Connect the charging cable to the device's charging port. Use a certified charger (rated 5V 2A and local country-certified) to charge the device (charger sold separately).
2.A full charge takes approximately 6 hours (may vary slightly due to various factors).
3.During charging, the indicator light next to the Type-C port turns red to indicate charging in progress, and green to indicate charging complete.
4.Do not charge continuously for more than 8 hours. Ensure supervision during charging; disconnect before leaving unattended for extended periods.

Storage Precautions

Do not use, store, or charge the device in direct sunlight, near heat sources, or in high-temperature environments. For daily use, keep the device in a cool, dry place.

Safety & Cleaning

Safety Precautions

1. Do not charge the device using a charger in wet locations (e.g., near sinks, bathtubs, or showers).
2. Adult supervision and guidance are required when children use the device. Before use, inspect the device for intact appearance, proper installation, and normal operation. If any issues are found, contact customer service.
3. Dispose of packaging properly to prevent suffocation hazards for infants and toddlers. Do not use the device if it or its accessories are damaged or broken. Do not clean the device while it is powered on or charging.
4. Inspect the device regularly. If any abnormality is detected in the charging process or cable, stop using it immediately to avoid risks of electric leakage, short circuit, or fire.

Cleaning Method

1. This product is not waterproof. Do not wash or submerge it in water.
2. Do not use harsh cleaners containing salt water, hot water, bleach, strong acids, or strong alkalis.
3. Power off the device before cleaning. Wipe the surface gently with a soft cloth dampened with tap water and wrung dry. After cleaning, press out excess moisture with a dry paper towel and let it air dry completely. Do not allow liquids to enter ports or gaps.
4. For stubborn stains, contact official customer service for additional cleaning guidelines.

Product Information

Function	Command Examples
Product Name	AI Fluffy Pals
Product Model	Bird/Puppy/Salamander/ Hedgehog
Product Material	Electronic components, plastic movement,100% polyester
Battery Capacity	1000mAh
Charging Input	5V-2A
Battery Voltage	3.7V
Maximum Power	3W
Battery Type	Lithium battery
Place of Origin	China
Applicable Standard	

Warranty Information

1. This product is manufactured under strict quality control. Within one year from the date of purchase and acceptance, free in-warranty repair services are provided by the after-sales service center for non-human-induced performance failures, upon verification and confirmation.
2. Returns/exchanges only at the point of purchase.
3. Please keep this warranty card safe and avoid smudging or altering it.
4. For after-sales terms, contact the seller/point of purchase.

Exclusions from Warranty Coverage

1. Expiry of the warranty period.
2. Damage caused by human factors, such as physical damage or liquid ingress.
3. Unauthorized disassembly or modification (including rooting/flash operations) by non-authorized personnel.
4. Damage caused by force majeure.
5. Resale of the product.
6. Use of the product in violation of any laws or our user agreement.
7. Malfunctions or damage resulting from issues unrelated to the product's inherent design, manufacturing, or quality.
8. For additional exclusions, refer to the official after-sales warranty policy.

Special Battery Notice

1. Built-in 3.7–4.2V battery (non-removable). Contact service if damaged.
2. The charger must be used by an adult or under adult supervision.
3. Regularly inspect the charger's cable, plug, casing, and other components. Stop use immediately if any damage is found, and do not resume use until repaired.
4. Power off the device and disconnect it from the charger before cleaning.
5. This product is sold without a power adapter. If using a power adapter, purchase a local country-certified adapter that meets standard requirements for use with this device.
6. Please do not use this product while charging.

Disclaimer

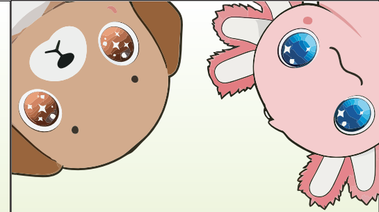

Thank you for purchasing this product.
